

MANDATORY Probate & Family Court Category E & F Training to Remain on Fee-Generating List for 2025

Gain valuable insights into how to make your next Category E or F appointment better, more effective, and more valuable to the parties, attorneys and the Probate and Family Court

This program presents an essential analysis and in-depth discussion of the many components inherent in Category E & F guardian ad litem appointments and their practical applications for guardians ad litem and attorneys. This year's training focuses on writing skills, as well as subpoena and deposition issues facing GALs; and Massachusetts removal and modification standards. Practice tips are offered by seasoned Category E and F GALs and Probate and Family Court judges and staff.

For Current Category E & Category F List Members: If you are currently on the Probate and Family Court's Category E or Category F Fee-Generating Appointment List, you are required to take the yearly CLE as set forth by the AOPFC. The live webcast, the recorded webcast, and the on demand webcast of this program all fulfill the requirement to remain on the list for 2025, as long as you complete the required prompts and submit the required documentation to pandf.feegenerating@jud.state.ma.us by December 2, 2024.

Note: To obtain continuing education credits to meet your requirements to stay on the Category E or Category F list for 2025, you *must choose the "Prompts" option when you click the link to begin the live webcast, the recorded webcast, and the on demand webcast and click all prompts as they appear during the program.*
