

Employment & Labor Law: MCLE BasicsPlus!®

Statutes, case law and practice pointers

This comprehensive, two-day program provides a basic introduction to employment and labor law for the lawyer new or returning to the field. Each day features lectures by experienced practitioners designed to teach you the statutes, case law, and practice pointers, followed by interactive sessions that reinforce your knowledge by giving you hands-on experience. These sessions are organized around the life cycle of typical employment situations and utilize a variety of techniques, including faculty demonstrations, role-playing, small-group discussions, and analysis of hypothetical cases based on typical client situations. You “learn by doing” and get valuable practical experience crafting real-life solutions to common client problems.

Lecture sessions
